LSMC TOPTRUMPS INSTRUCTIONS –Cut out all these cards to keep and play with. Make sure you have an adult supervise you while you're using scissors.

1. Shuffle the cards and split up the deck with your friends.
2. Play toptrumps as you would the classic game!

NB: The hardest onsite/solo rating is in-line with the RockFax guidebooks colour grading system, with green being the lowest, going up to orange, red and then black, with a very black rating if you're Little Ben!! These grades are approximated, sorry if we've done you an injustice, and also we've upgraded HVS to red to distinguish those hard-nuts who can do them!

NB2: We apologise if we forgot anyone!

Enjoy!!! By *Ollie* and *Lauren*
